WHERE WILL YOUR DAY START?

...at home?

...or at your wedding venue?

It's your choice.

We'll photograph all the details of your day and you can choose as many or as few images as you like.

Do you want larger images?
Or smaller?

Or how about a
mixture of both?

You can choose
from an
unlimited number of images
after your wedding and
flexible monthly payments will
make it easy to get what you want.

We'll capture the range
of emotions...

...the laughter
and
the tears...

...so you can
re-live your day as often
as you choose.

And as you can see, we'll help you to enjoy every minute
of your day with our casual informal approach.

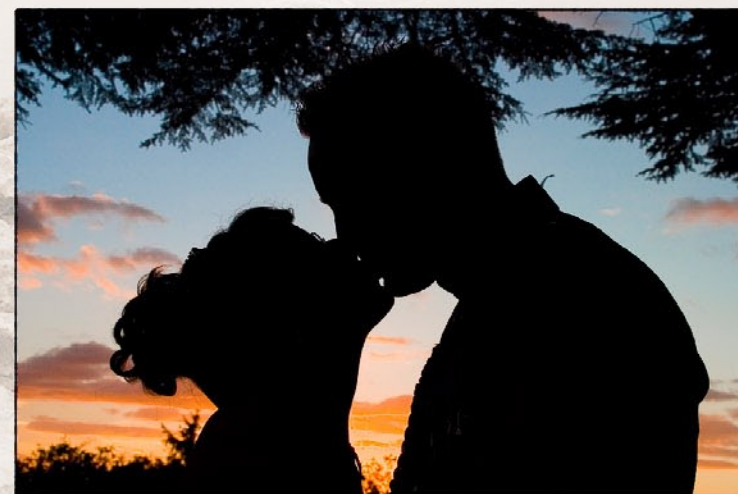

As your day unfolds, we can take some time with you and record the quiet moments and the romance of your day.

And as your day draws to a close, you can feel safe in the knowledge that with our experience and your choices, between us we will create a unique story of your Wedding Day.
